---

**From: Capital Improvements Committee**

**To: Select Board,  
Chair, Advisory Committee,  
Town Administrator**

**Date: November 21<sup>st</sup>, 2023**

**Subject: FY24 Supplemental Recommendations**

The Capital Planning Committee (hereafter the "CIC" or "Committee") issues this supplemental report for FY'2024 in accordance with the Templeton Town By-laws, specifically Chapter 9-8(B).

### **Preface**

The Committee held a meeting on November 7<sup>th</sup>, 2023, and was presented with a request from our Municipal Water Department for a project to replace the water mains at the intersection of Patriots Rd, Gardner Rd, South Main St, and North Main St in East Templeton. Scott Schwinger, Water Superintendent, presented this request to the CIC, explaining the background that brought this request forward and that this project had current and continuing construction now in order to fit within the framework for the presently ongoing Roundabout project at said intersection in East Templeton, and that it required an appropriation within fiscal year 2024. The total cost of the project is around \$600,000.00, with a request of \$300,000.00 of ARPA ("American Rescue Plan Act") funds to be appropriated by the Town with the remainder of the project cost to be paid for by the Water Department.

### **Recommendation**

The Committee makes a positive recommendation to the Select Board for the Replacement of the Water Mains in East Templeton, for the amount of \$300,000.00 to be utilized out of available ARPA funds.

Respectfully Submitted,

Justice Graves, Chairman, At-Large Member  
Nowell Francis, Clerk, Advisory Committee Member  
Timothy Toth, Select Board Member  
Cheryl Richardson, Treasurer/Collector  
Holly Young, Assistant Town Administrator, Ex-officio Member
